Ana Sees the Doctor Level 4

9. What were the two main reasons that Ana didn't want to see a psychologist?

1. _____

2. _____

10. Do you think Ana is correct in giving these two reasons? Explain why and use information from the story to write your answer.

Highlight the dialogue between Ana and the doctor using different colours. Then, write your own short role play between a doctor and their patient.

For example: **DOCTOR:** Come on in. How can I help you today?

PATIENT: Thanks. I came in because I have been getting back pain lately.
(...continue the conversation between the doctor and patient.)
